

RhinoGold in the Canadian Jeweller's Excellence in Design competition

DIAMONDS – THIRD PLACE WINNER

ARMAND RABBATH & DESIGN TEAM
Myerson's Ltd. - Toronto

Ladies Diamond Ring
A reversible rectangular 14k gold ring
featuring white and coloured diamonds of
1.75 tsw.

Third Place Winner of Canadian Jeweller's Excellence in Design

Mr. Armand Rabbath & the Design Team of [Myerson's Ltd](#) from Toronto were awarded in the **Canadian Jeweller's Excellence in Design competition** last month.

"This ring was designed to mimic an (organic) coral shaped pattern with colored diamonds on both sides, The ring flips showing the mirror pattern in white gold from dark yellow to light yellow on one side and from blue to white on the other side. It was designed and grown with **RhinoGold** , and grown on the Solidscape T76+ machine" - Mr. Armand Rabbath commented.
